

# GH8.3 **ACCESSORY HOSE**

## PREMIUM GREASE HOSE

This braided, high-pressure hydraulic hose is designed specifically for greasing and lubrication systems. Its anti-stick outer cover is highly kink-resistant and allows for easy installation and compact routing. Meets or exceeds DIN 1283 standards.

## TECHNICAL DETAILS

### CONSTRUCTION

**Inner Tube:** Polyester  
**Reinforcement:** One braid of synthetic fibre polyester  
**Outer Cover:** Polyurethane, pinpricked, black

### APPLICATION

Manual and air-operated greasing guns, central greasing and lubrication systems. Suitable for petroleum, synthetic, or water-based hydraulic fluids specifically designed for diverse greasing and lubrication applications.

### SPECIFICATIONS

**Standards:** Meets or exceeds DIN 1283  
**Temperature Range:** -40°C - 60°C.  
**Hose Tails:** GH series, J series
